ATTENDANCE AT SOUTH SUDAN OIL & POWER CONFERENCE

Dr Omar from Wildcat's representative office in Khartoum, attended the South Sudan Oil & Power conference, 13-14th September on behalf of Wildcat with full authority to conduct all necessary talks/negotiations on behalf of the Company. In 2021 Dr Omar conducted the inaugural oil licence round in South Sudan on behalf of the Government and was deemed the most suitable person from Wildcat to attend the conference.

Wildcat Petroleum Plc wishes to make it clear that it is incorrect to claim certain pictures and video circulating around the internet and Twitter show the chairman of the company, Mandhir Singh, attending the South Sudan Oil & Power conference in Juba last week. The chairman did not attend this conference. The person purported to be Mandhir Singh in these images, such as shown below, was actually a different delegate attending the conference.

Notes to Editors:

Wildcat Petroleum (LSE:WCAT) is listed on the standard segment of the official list, with shares traded on the main market of the London Stock Exchange. WCAT is seeking to acquire projects or a business operating in the upstream sector of the petroleum industry - namely exploration, appraisal, development and production of oil and gas, with a primary focus on assets that are at the later phases of exploration and production.
